## PARADE FOR ARMISTICE DAY CELEBRATION

A big street parade followed by a free chowder for the ex-service and service men in line and a free dinner in the evening for the public is the celebration programme being arranged for Armistice Day, November 11th, by Fletcher post, No. 4, American Legion.

The general committee in charge of the celebration held its second meeting Tuesday evening at the post headquarters, No. 25 Shattuck street with Chairman E. C. Herick, presiding and with most of the members of the committee present.

The committee is entering into the plans with an enthusiasm which spells success for the celebration, which it is planned to make one of the biggest celebrations of its kind ever held in Norwich.

It was definitely decided Tuesday evening that there will be a street parade, as many of the fraternal and other organizations of the city are making arrangements to be in line. As soon as the list of organizations that will parade has been completed it will be announced through the press.

It is planned to have at least two bands, and in addition to the local organizations it is expected that several of the American Legion posts in nearby towns will be in line as invitations are to be extended to them to participate in the celebration.

The selection of a parade marshal has not been definitely decided upon as yet and the parade committee was not ready to announce the line of march Tuesday night.

However, the line of march will be through the central section of the city and the parade will be reviewed in front of the Waitegan house.

The parade will be held in the afternoon. Following this the ex-service men and service men in line together with invited guests will be served a chowder at the Waitegan house.

McLEAN PUNCTURES DEMOCRATIC DRIVE AGAINST SENATORS

"A vote cast for a pro-Article X democratic senator will be much worse than thrown away," says United States Senator George P. McLean, in a statement in which he tells in his vigorous way why Connecticut should send his colleague, Frank B. Brandegee, back to the senate. Senator Brandegee makes no mention of the celebrated article of contention and points out that the country is sick of democratic rule and that the democratic leaders know that Cox is beaten, but they hope to block republican measures by making a gain in the United States senate through the defeat of one or more of the republican senators who are candidates for re-election.

Senator McLean said: "It is very apparent that the American people have lost confidence in democratic leadership, and it is also apparent that the democratic leaders know this."

## MRS. THOMAS' WORD TO WOMEN

Tells of the Great Good Lydia E. Pinkham's Vegetable Compound Did For Her.

Morris, Mich.—"About a year after my second baby was born I suffered with dizziness every morning so that I could hardly get around. I had heard of other women about your medicine and had read letters about it, so I tried it and got me Lydia E. Pinkham's Vegetable Compound which I took according to directions and in a short time I was entirely relieved. I also took the Vegetable Compound before my last baby came and am thankful to say that it relieved my suffering very much and I shall never be without it at such times. I have told others of its great worth and shall keep on telling it."—Mrs. E. D. Thomas, Box 184, Morris, Mich.

Women should not continue to suffer day in and day out and drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound.

If you would like free confidential advice address Lydia E. Pinkham Medicine Co., Lynn, Mass.

"In order that the American people who have contributed so generously may realize what has already been accomplished in the Near East, much depends upon relief work being continued, and also for the inspiration, information and training of citizens and Near East Relief workers.
